## **APPLICATION FOR FEDERAL PUBLIC HOUSING**

This application is valid for the federal public housing properties operated by the Lynn Housing Authority & Neighborhood Development (LHAND). This is not an application for the Section 8 Voucher Program.

### **1. To be eligible for the public housing program:**

- The applicant family must:
  - Qualify as a family as defined by HUD and the LHAND.
  - Have income at or below HUD-specified income limits.
  - Qualify on the basis of citizenship or the eligible immigrant status of family members.
  - Provide social security number information for household members as required.
  - Consent to the PHA's collection and use of family information as provided for in LHAND-provided consent forms.
- The LHAND must determine that the current or past behavior of household members does not include activities that are prohibited by HUD or the LHAND.

### **2. Eligible for Placement on the Waiting List:**

Generally, for a development with a waiting list that is continuously open, applicants will be placed on the waiting list according to LHAND preference(s), bedroom size, and the date and time their complete application is received by the LHAND. New applicants will be placed behind any applicants remaining from prior years who fall into the same preference or priority category.

For a development with a waiting list that is only open for a specified period of time, applicants will be placed on the waiting list via a lottery system according to LHAND preference(s) and bedroom size.

The LHAND will assign families on the waiting list according to the bedroom size for which a family qualifies as established in its occupancy standards.

Placement on the waiting list does not indicate that the family is, in fact, eligible for admission. When the family is selected from the waiting list, the LHAND will verify any preference(s) claimed and determine eligibility and suitability for admission to the program.

### **3. Ineligible for Placement on the Waiting List:**

If the LHAND determines from the information provided that a family is ineligible, the family will not be placed on the waiting list. When a family is determined to be ineligible, the LHAND will send written notification of the ineligibility determination within 10 business days of receipt of the completed application. The notice will specify the reasons for ineligibility and will inform the family of its right to request an informal hearing and explain the process for doing so.

Applicants with disabilities may seek assistance with the completion of the application at the LHAND's Admissions Office, at the address above.

174 South Common Street  
Lynn, MA 01905  
(781) 581 – 8760 / (800) 439 – 2370 (TDD)

**Screening for Eligibility:**

- LHAND will perform criminal background checks through local law enforcement for all household members 18 years of age and older in accordance with current Criminal Offender Record Information (CORI) regulations.
- LHAND will perform criminal background checks necessary to determine whether any household member 18 years of age and older is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided

**Screening for Suitability as a Tenant:**

LHAND will consider the family's history with respect to the following factors:

- Payment of rent and utilities
- Caring for a unit and premises
- Respecting the rights of other residents to the peaceful enjoyment of their housing
- Criminal activity that is a threat to the health, safety, or property of others
- Behavior of all household members as related to the grounds for denial
- Compliance with any other essential conditions of tenancy

**Reasons for Denial of Admission:**

LHAND will deny assistance in the following cases:

- Any member of the household has been evicted from federally assisted housing in the last three years for drug-related criminal activity.
- Any household member is currently engaged in the use of illegal drugs.
- Any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.
- Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing.
- Any household member is subject to a lifetime registration requirement under a state lifetime sex offender registration program.
- Has a pattern of unsuitable past performance in meeting financial obligations, including rent within the past three years
- Has a pattern of disturbance of neighbors, destruction of property, or living or housekeeping habits at prior residences within the past three years which may adversely affect the health, safety, or welfare of other tenants
- Owes rent or other amounts to this or any other PHA or owner in connection with any assisted housing program
- Misrepresented or does not provide complete information related to eligibility, including income, award of preferences for admission, expenses, family composition or rent
- Has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program in the last three years
- Has engaged in or threatened violent or abusive behavior toward PHA personnel
- If any household member is currently engaged in, or has engaged in, any of the following criminal activities, within the past three years, the family will be denied admission.
  - Drug-related criminal activity, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].
  - Violent criminal activity, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].
  - Criminal activity that may threaten the health, safety, or welfare of other tenants [24 CFR 960.203(c)(3)].

The information collection requirements contained in this form were submitted to the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). The public reporting burden is estimated at 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Section 644 of the Housing and Community Development Act of 1992 (42 U.S.C. 13604) imposed on HUD the obligation to require housing providers participating in HUD's assisted housing programs to provide any individual or family applying for occupancy in HUD-assisted housing with the option to include in the application for occupancy the name, address, telephone number, and other relevant information of a family member, friend, or person associated with a social, health, advocacy, or similar organization. The objective of providing such information is to facilitate contact by the housing provider with the person or organization identified by the tenant to assist in providing any delivery of services or special care to the tenant and assist with resolving any tenancy issues arising during the tenancy of such tenant. This supplemental application information is to be maintained by the housing provider and maintained as confidential information. Providing the information is basic to the operations of the HUD Assisted-Housing Program and is voluntary. It supports statutory requirements and program and management controls that prevent fraud, waste and mismanagement. In accordance with the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless the collection displays a currently valid OMB control number.

**Privacy Statement:** Public Law 102-550, authorizes the Department of Housing and Urban Development (HUD) to collect all the information (except the Social Security Number (SSN)) which will be used by HUD to protect disbursement data from fraudulent actions.
