#### Don't staple the pages of this application together!

- 1. Some providers *scan* the application, and if you staple, that means removing staples from 1000 applications every week or month.
- 2. If you include a letter, don't staple that either: providers need to quickly get to your waitlist data and your cover page just gets in the way.

Use #10 double window envelope old on the line, a addresses will fit the windows.

We will process your application according to our standard procedures, which are summarized in the Resident Selection Criteria. If there is no wait for an apartment and your application appears to be eligible, we will contact you to continue processing your application.

The public reporting burden is estimated at 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Section 644 of the Housing and Community Development Act of 1992 (42 U.S.C. 13604) imposed on HUD the obligation to require housing providers participating in HUD's assisted housing programs to provide any individual or family applying for occupancy in HUD-assisted housing with the option to include in the application for occupancy the name, address, telephone number, and other relevant information of a family member, friend, or person associated with a social, health, advocacy, or similar organization. The objective of providing such information is to facilitate contact by the housing provider with the person or organization identified by the tenant to assist in providing any delivery of services or special care to the tenant and assist with resolving any tenancy issues arising during the tenancy of such tenant. This supplemental application information is to be maintained by the housing provider and maintained as confidential information. Providing the information is basic to the operations of the HUD Assisted-Housing Program and is voluntary. It supports statutory requirements and program and management controls that prevent fraud, waste and mismanagement. In accordance with the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless the collection displays a currently valid OMB control number.

Privacy Statement: Public Law 102-550, authorizes the Department of Housing and Urban Development (HUD) to collect all the information (except the Social Security Number (SSN)) which will be used by HUD to protect disbursement data from fraudulent actions.

# Applicant's and Resident's Right to Request a Reasonable Accommodation

If you have a disability and you need:

- A *change or waiver in the rules or policies* of the community to afford equal access and full enjoyment of your apartment home, the common facilities or to participate in special programs located at the community;
- A *physical modification* in your apartment or to some other feature of the community which would afford you equal access and full enjoyment of your apartment home or use of the facilities located at the community; or
- A *more effective means of communication* to provide official information or permit you to contact the management office.

Then you can request these modifications or exceptions to how the community conducts its operations by making a request for a <u>Reasonable Accommodation</u>. The right to request a Reasonable Accommodation is established under federal and state law.

If you have a physical or mental limitation (disability) which meets the legal definitions under federal and state law and have a request that is not too expensive or difficult to arrange *and* this request will provide you with improved use of your apartment home or the common facilities of the community, then we will try to fulfill your request.

You may make this request in writing by completing a <u>Reasonable Accommodation Request Form</u> or some other type of permanent and comprehensible document (e.g., a tape cassette) which answers all the questions on the Request Form. If you need assistance completing the Request Form, we can put you in touch with group(s) that can better assist you. If you require additional information about our procedures, we will be happy to explain them in a manner that is fully comprehensible by you. If this requires the use of sign language or another alternative form of communication, we will attempt to meet your needs.

We will give you an answer within ten (10) working days of our receipt of a Reasonable Accommodation Request unless there is a problem getting the information we require to verify the appropriateness of the request. If we require additional time, we will notify you and explain the reason for the delay. We will let you know if we require additional information or if we would like to propose an alternative solution which has an equal outcome to the accommodation requested.

If for any reason we are unable to fulfill your accommodation request, we will provide you with an explanation. You will then have ten (10) working days from the date of denial to provide additional information before we consider the matter closed.

You may obtain a Reasonable Accommodation Request Form at the management office. If you have a disability and have any comments on your experience at the community, please contact the onsite Property Manager who will make arrangements for you to be contacted to discuss your experience.
