

## **TO APPLY FOR THE MERRIMACK VALLEY APARTMENTS IN METHUEN**

### **a 60 unit HUD 202 Project for elderly and handicapped residents**

Community Teamwork developed the 60 unit Merrimack Valley Apartments complex in 1983 on a seven-acre parcel with plenty of green space. Two residents are elected annually to serve on the five-person Board of Directors along with three Community Teamwork Board members. The complex has a community room where many social and recreational activities occur for the residents throughout the year.

- Serving low-income elderly and disabled residents.
- Income requirements are up to 50% of median income.
- Beautiful facilities with a social room and opportunities for residents to serve on the board.
