Location of Project-Based Apartments

From the list below, check the box next to the communities where you would like to live. Please do not choose a community unless you think you would really live there. Only check properties that have apartments appropriate for your household size. If you select a property from the list below that you are not eligible to occupy you will not be added to that waiting list. The housing agency will make the final determination of eligibility based on the family information that you are providing in this pre-application. If you need a larger apartment as a reasonable accommodation for a disability please contact the agency listed above for assistance in completing this form

Single Room Occupancy (SRO) and **Enhanced Single Room Occupancy (ESRO**) units are <u>only for one person</u>. SRO units typically have shared bathrooms and may have not have a kitchen or have a shared kitchen. ESRO units have private bathrooms and may have kitchenettes. If you are a single person household and are not elderly or disabled you may only choose properties that have SRO and ESRO units. **Studio** apartments do not have a separate bedroom but have a full kitchen. **Elderly** apartments are for persons over 62 years of age. **Supportive Service** apartments provide certain services to tenants and you must have a documented need for the supportive services offered at these properties.

Properties that have **wheelchair accessible** apartments are marked with the logo - contact us for more information on the available bedroom sizes of these apartments.

NOTE: Effective June 5, 2009, any projects listed below that are highlighted in yellow are temporarily closed to new applicants, until further notice.
