1. Click the yellow button below to fill out a "Request for an Application".
2. Once you complete the Request for Application, you will then be able to immediately fill out the full Application ONLINE*. *You will need to complete the full application **immediately**.*
 - Do not fill out the online application more than once, as this may disqualify from consideration.
 - After you complete the full Application, you will see a notice on the screen confirming that you have been officially accepted into the lottery. You may wish to print this!

**You will also have the option to have the application mailed or emailed, but it is safer and faster to choose the Online Application.*
