This lottery is open from

The Lottery requires you to take TWO STEPS:

- 1. Click the yellow button below to fill out a "Request for an Application".
- 2. Once you complete the Request for Application, you will then be able to immediately fill out the full Application ONLINE*. You will need to complete the full application immediately.
 - Do not fill out the online application more than once, as this may disqualify from consideration.
 - After you complete the full Application, you will see a notice on the screen confirming that you have been officially accepted into the lottery. You may wish to print this!

*You will also have the option to have the application mailed or emailed, but it is safer and faster to choose the Online Application.
