

Don't staple the pages of this application together!

1. Some providers *scan* the application, and if you staple, that means removing staples from 1000 applications every week or month.
2. If you include a letter, don't staple that either: providers need to quickly get to your waitlist data and your cover page just gets in the way.

Use #10 double window envelopes. Fold on the line, and addresses will fit in the windows.
