

Don't staple the pages of this application together!

1. Some providers *scan* the application, and if you staple, that means removing staples from 1000 applications every week or month.
2. If you include a letter, don't staple that either: providers need to quickly get to your waitlist data and your cover page just gets in the way.

Use #10 double window envelopes. Fold on the line, and addresses will fit in the windows.

Notice to All Applicants: Reasonable Accommodations are available for Applicants with Mental and/or Physical Disabilities

Local Housing Authority (LHA) does not discriminate against applicants on the basis of mental or physical disabilities. In addition, the LHA has an obligation to provide "reasonable accommodation" on account of a disability if an applicant or a household member is limited by the disability and for this reason needs such an accommodation. A reasonable accommodation is a change that the LHA can make to its facilities or practices that will assist an otherwise eligible person with a disability to overcome the limitations imposed by his or her disability and to be able to participate in the LHA's housing or programs. Such a change must be financially and programmatically feasible for the housing authority.

An applicant household which has a member with a mental and/or physical disability must still be able to meet essential obligations of tenancy (for example, the household must be able to pay rent, to care for the apartment, to report required information to The LHA, and to avoid disturbing neighbors), but an accommodation may be the basis by which the household is able to meet those obligations of tenancy.

The LHA has an Accommodation Coordinator. If you need an accommodation because of a disability, please complete the attached form and return it to the LHA. You must also submit medical documentation verifying the existence of a disability, and the need for an accommodation to overcome these limitations and to participate in the LHA's housing or programs. Within thirty (30) days of receipt of your request and documentation, the Accommodation Coordinator will contact you to discuss what the LHA can reasonably do to accommodate you on account of your disability.

If you or a member of your household has a mental and/or physical disability, and as a result you need an accommodation, you may request it at any time. However, you are not obliged to make such a request, and if you prefer not to do so that is your right.

 - (a) is without or about to be without a place to live or is in a living situation in which there is a significant, immediate, and direct threat to the life or safety of the applicant or a household member which situation would be alleviated by placement in an appropriate unit . Since certain actions on the part of victims of domestic violence can trigger violent acts by the offenders, no particular item can be mandated as the required form of verification. Please remember that if any verification appears vague, an LHA must obtain additional documentation until the LHA feels that a reasonable showing of the abusive situation has been made. Examples of documentation could include one or more of the following:

- c. you did not cause or contribute to your present housing situation; (In cases of domestic violence, there is a presumption that victims did not contribute to their circumstances.) and;
- d. you have pursued ways to avoid or prevent the threatening situation.

If you believe that you meet all of the items "a" through "d" then you should write a detailed explanation of the circumstances that led to your present housing situation. Include names, address and relationship, if any, for each person(s) involved in the circumstances who can support your statements. It is your responsibility to prove your situation. When writing your explanation, you should try to detail what happened, why it happened, how you tried to prevent it from happening, what you did once it did happen, and what you have been doing since it happened.
